Before you Search

- Refine your topic and identify main concepts (keywords)
- Use correct terminology (can differ from database to database)

Searching the Library

Subject Guide: <http://lib.radford.edu/Resources/subjectguide.asp>

Databases: <http://lib.radford.edu/database-finder/>

Finding Full Text Articles

From a citation: <http://gw5kw3uf8g.search.serialssolutions.com/>

From databases: <http://lib.radford.edu/database-finder/>

Common Search Strategy

Use Info Trac One File <http://infotrac.galegroup.com/menu>
(includes all sub-databases)

Keyword search

- Search in title/abstract or entire content
- Limit search to refereed publications
- Can limit years or to fulltext
- Phrases in "quotation marks"
- Match words somewhere in article (dolphins and tourism)
- Limit articles to a subgroup (tourism not business)
